## Welcome to 2009/10

The 2009/10 season has started in earnest and we welcome the following new signings; Will Rudd, Eddie Cunneyworth and Kurtis Brough.

Training takes place on Saturdays 10.30am—12 noon and Wednesdays 6.00pm—7.00pm on the 3G pitch at South Hunsley.

Des Cable will be attending a Level 1 Coaching course so the team will have all appropriate officials.

Danny Sanderson has left us, for the time being, to concentrate on rugby, we wish him well.

Two lads have had a very unlucky start to the season. Ollie Cole suffered a broken wrist and Matt Dean a broken leg (fibula) which will see them out of football action for 6/8 weeks. We wish both boys a speedy 'repair'.

## SUBS

Subs are due this month. Payment can be made in 2 instalments of £45 (one now the other to be paid in the second half of the season) or alternatively 1 payment of £80 now (a saving £10 for the year). Please pay Sue Cable **as soon as possible** (cheques can be made payable to 'South Cave Junior Football Club').

## Respect Barriers

As required by the FA the club has introduced 'Respect Barriers' which will need to be placed at a distance of 2 metres away from the touchline at home matches. Supporters (of both sides) will be expected to stand behind these barriers giving the linesman a clear path and to stop parents from stepping onto the pitch during a match. Help from parents with the barriers, goal nets and corner flags etc. before and after home games would be gratefully received. If you haven't already seen the 'Guide to Parents and Carers' online video please log onto <http://www.thefa.com/Respectguide/>

## News in brief

- We are in the process of joining a sports' injury clinic for all the boys. This will give them a free consultation for any injuries sustained and discounted treatment if needed. More details will follow.
- New socks and gloves will be issued shortly.
- The 'Dads' are looking at an Xmas night out, further details to follow.
- The mums will then be needing the dads to 'babysit' for their night out!

## Holland Fund

We have just over £350 left from our fundraising efforts for the very successful Holland Tour. This is after taking into account a float to pay for referee fees, courses etc. If you have any suggestions for how we could use this money please contact one of those listed above.
