

Plate Competition –Round One

Sunday 22nd November

South Cave Juniors 4 Hessle Rangers Juniors 1

South Cave advanced to the second round of the plate with a relatively comfortable victory over Hessle Rangers. Ave started the game in dominant fashion and quickly opened the scoring with a debut strike from the edge of the box by midfielder Kurtis Brough. Hessle responded well and Cave were grateful to defender Matthew Johnson whose timely header prevented an equalizer when a goal bound shot had beaten keeper Rounding.

Cave began to exert more control ,restricting Hessle to sporadic attacks on the break, and doubled their lead when Will Rudd found time and space on the left to curl a well placed shot past the keeper. Rudd was to net again before the break easing Cave to a 3-0 lead

Cave saw a number of chances come and go in the second half before Chris Cable latched onto a poor defensive clearance to slot home Cave's fourth. Hessle were left to finish the day's scoring with probably the best goal of the game--a well taken free kick from the edge of the area.

Ultimately this was a deserved first victory of the season for South Cave and the team should draw confidence from this result and carry that forward into next week's return to league action.
