

Hull Boys Sunday Football League U14

Beverley Tigers 4 South Cave 0

Sunday 5<sup>th</sup> December 2009

South Cave continued their difficult start to the second season in the top flight as they fell to defeat at the hands of Beverley tigers..The game was switched to Beverley's all weather pitch due to the wet weather of the previous week, both sides produced an entertaining game despite a strong wind blowing the length of the pitch for most of the game  
Beverley scored early in the first half, an Adam Holmes clearance off the line was not fully cleared and Beverley poked the ball home. Cave came back strongly and had a number of chances, including a free kick pushed onto the woodwork by the Tigers' keeper, but could not score to get themselves back in the game.Cave were made to pay the price for not scoring when tigers twice broke through the middle and scored in the last 5 minutes of the first half to effectively seal the game.

Playing into the teeth of the gale in the second half made Cave abandon the long ball and play a more passing style of football,this produced some of Cave's best football of the match, but despite a string of corners ,they could not get the score that may have sparked a recovery. Having ridden out the early storm Beverley scored the goal of the game as a long range shot looped over the defence and fell into the net.

Overall this was a good performance by Cave who can feel unlucky to have lost by a 4 goal margin as for large parts of the game they matched Beverley.
