

Hull Boys Sunday Football League U14

Costello Jaguars 3 South Cave 1

Sunday 18<sup>th</sup> October 2009

South Cave produced their best performance of the season and can consider themselves unlucky to have left Pickering high school without at least a share of the points. Injuries and illness meant coach Cable had to field a makeshift team with some new faces and some players played out of position. The first half produced chances at both ends of the pitch but only one goal when Costello took advantage of cave's hesitation in clearing a high ball.

A nightmare opening ten minutes of the second half would ultimately cost Cave as they lost shape and concentration to concede two further goals to Costello. Cave rallied well and raised hopes of a fight-back when Liam Rose turned smartly in the area to place a shot past the keeper. A second Cave goal at this point would have produced an exciting finale but Costello held firm under a spell of Cave pressure to ensure they finished the game victorious.
